## **Introduction to MOODLE E-Learning**

MOODLE (Modular Object-Oriented Dynamic Learning Environment) is an open-source Learning Management System (LMS) used to create and manage online learning environments. It enables schools, universities, and training institutions to deliver courses digitally, support blended learning, and facilitate distance education.

MOODLE provides a user-friendly platform where teachers can upload course materials, create activities, assess learners, and communicate with students, while learners can access content, submit assignments, participate in discussions, and track their progress anytime and anywhere with internet access.

Key features of MOODLE include course management, quizzes and assignments, discussion forums, grading tools, and progress tracking. It supports various multimedia resources such as documents, videos, and links, making learning interactive and flexible.

Start by putting the PUR website

The screenshot shows a web browser window with the address bar displaying [www.pur.ac.rw](http://www.pur.ac.rw), which is circled in red. A blue arrow points from the text 'Start by putting the PUR website' to this address bar. The browser's tab bar shows several open tabs, including 'What...', 'Turnit', '(109...', 'Parap...', 'Freed', 'Open', 'Best P', 'PUR -', 'SPE: P', 'Admir', 'MEME', 'youtu', '(25) Y', and '2 COC'. The browser's interface includes a search bar with the text 'Search the web', a user profile 'Ngoma', and a 'Sign in' button. Below the search bar is a row of shortcuts for various applications and websites, including (110 unread)..., PMB, SaveFrom.net, ChatGPT, ph.mail.yaho..., Microsoft 365, Booking.com, AliExpress, Facebook, and Add shortcut. The main content area displays a video player with the title 'Miles Teller's grandparents inspired his work in Eternity' and a video thumbnail showing a man and a woman. To the right of the video player is a section titled 'Games' with a grid of game thumbnails, including 'BUBBLE SHOOTER'. At the bottom of the browser window is a taskbar with various application icons, including the Start button, Search, File Explorer, and several office applications. The system tray at the bottom right shows the date and time as 11:33 on 24/01/2026.

The screenshot displays a Moodle course interface. At the top, a dark green header contains a phone icon and the number '+2507883108'. Below this is a search bar and tabs for 'All', 'Activities', and 'Resources'. The 'Activities' tab is selected, showing a grid of 18 activity icons. The 'File' icon, which is a blue document with a plus sign, is circled in orange. A red arrow points to the 'File' icon. To the left of the grid, a large text overlay reads 'Click here to add a file'. The browser's address bar shows the URL 'https://moodle.piass.ac.rw/course/view.php?id=360'. The system tray at the bottom of the screen shows the date and time as '16:12 24/01/2026'.

# Enrol users

Search course you want to enrol users

The screenshot shows a web browser window displaying the Moodle LMS interface for the Protestant University of Rwanda. The URL in the address bar is <https://moodle.piass.ac.rw/course/search.php>. The page features a green header with contact information: "Call us : +250788310811" and "E-mail : info@pur.ac.rw". Below the header is a navigation menu with links: "Home", "About Us", "My courses", "Site administration", "Course search", "Key Docs", and "Online Services". The main content area has a "Courses" tab and a "Search" button. Below this is the text "PROTESTANT UNIVERSITY OF RWANDA" and a search bar labeled "Search courses" with a magnifying glass icon. A red arrow points from the text "Search course you want to enrol users" to the search bar. The footer contains a welcome message, links to "PUR Website", "Keys Docs", and "Online Services", contact information for Huye - Karongi Rwanda, and social media icons for X, Google+, Pinterest, and Facebook.
